Attend the Kansas Shorthorn Breeders' Commercial Calf and Replacement Cattle Sale at Salina, East Sale Barn, March 31, 1965, 12:30 Noon.

Mid-Kansas sales have the reputation of selling top Shorthorn breeding cattle in Kansas. The spring sale of 1965 will be another bell ringer. We have 68 very good bulls in this sale, and 7 outstanding cows and heifers. When you think of twenty-seven of the top Shorthorn breeders from Kansas consigning good cattle to a purebred sale, you are bound to find the right kind of a bull, or a good Shorthorn female for herd building or replacement material. Mid-Kansas sale cattle in the past, have gone to California, Texas, North Dakota, as well as the central states.

If you have a herd bull problem to solve for either a purebred or commercial herd, this sale will satisfy your needs. Note the number of strong aged bulls in this sale. Lot number one is a Polled Shorthorn bull.

If you cannot attend this sale, you may phone or send mail bids to the sale manager or any of the press representatives. To contact sale manager for any late messages or bids, phone Salina Chamber of Commerce.

Plan to attend the banquet and general get-to-gether the evening before the sale. This is an informal dinner at the Parrish Hotel, 7:00 p.m. Everyone is welcome. The Fifty-year awards will be presented to Kansas breeders by the American Shorthorn Association. See you in Salina.

MILTON H. NAGELY,
Sale Manager

Burco's Choice—Here will be a real opportunity to buy top imported breeding. Choice is sired by Crichton Burco by Tolquhon Bosco, one of the great Shorthorn sires. His dam, Dungarthill Marion Broadhooks, has produced three calves. Her first sold for $1600. Her second at $3500 to the McCubbins in Nebraska. Choice is her third and Ellis Geddens says her best. We have used him liberally on our replacement heifers and find he is a very sure breeder.
